

FIRE SAFETY AT THE ROOST

In the event of a fire leave everything behind & get everyone out.

- Keep calm & get everyone out quickly & safely
- Report to the assembly point by the main gate
- Alert other guests & sound the alarm - located at the fire assembly point by the main gate
- Call 999

No smoking or naked flames.

Refrain from smoking inside or near the cabins, & avoid using candles.

E-bike charging.

Avoid leaving charging bikes or batteries unattended, & don't charge them overnight.

Keep exits clear.

Ensure that all doors & walkways are kept clear at all times.

In the kitchen.

Don't leave the hob unattended when on & turn everything off when done.

BBQs, pizza oven & fire pit.

Take care when using these. Water buckets are provided. Ensure children are at a safe distance.

Don't cover heaters.

Don't dry clothes on the heaters as it is a fire risk. Use the washing lines or drying room instead.

Fire extinguishers, fire blankets & water buckets are provided throughout the site.
